Dear Staff, Pupils and Parents.

Eco-Schools Scotland – Eco-Schools Green Flag Award status

I am delighted to confirm that your school has successfully renewed Eco-Schools Green Flag Award status. This is an outstanding achievement, so please pass on our congratulations to everyone involved.

Interim Assessment Report

I really enjoyed reading your Green Flag application and was delighted to see that everyone in St. Brigid's Primary had been working hard to reduce litter in school, encourage wildlife to your outside space and develop your grounds as a marvellous resource for learning and recreation. Throughout, you have monitored progress well, celebrated your successes with the wider community via your Twitter feed and the local press, worked collaboratively with helpful partners, such as Urban Roots, and shared good practice with various establishments in your learning community. Eco is well-integrated into the curriculum and calendar via your focus on Outdoor Learning and events such as your Green Day, with pupil experiences being taken outwith the campus on your visits to Malls Mire Community Woodland and Polmadie Recycling Centre. I was also delighted to hear of your neighbourhood litter picking activities and your success in the Streets Ahead Award to transform your local community. Your young people are truly responsible citizens and I am sure you will enjoy exploring the UN's Sustainable Development Goals as part of your ongoing Eco work. Congratulations and well done!

Next Steps

Please continue your next Eco-Schools two year renewal as before by choosing new topics and creating new Action Plans.
